All Bake'n Joy mixes are blends of carefully formulated ingredients designed to let you make products as if you were baking from scratch with consistently superior results time after time. Only top quality ingredients go into each bag. Plus all our mixes and bases are Trans Fat Free!

- Our muffin mixes let you make a showcase of signature and traditional flavors! Because you control the add-ins, you can control the variety and the cost.
- Make other breakfast items – loaf cakes, ring cakes, coffee cakes – using the same mix or base you use for muffins.
- A select variety of muffin mixes are available in smaller, 5 lb. bags that ensure freshness and convenience for your smaller batches.
