

Banana Bread Base

Frozen Scoop Batter

Just add ripe bananas and nuts, if desired, for "homemade" banana breads

Easy Scoop & Bake!

Bake old-fashioned, just-like-homemade banana breads in a snap! Bake'n Joy introduces a new thaw and scoop frozen batter:

Banana Bread Base #8806214

Premixed with premium ingredients!

As with all our products, only premium ingredients go into our frozen batters. All our batters are formulated to produce exceptionally moist and delicious bakery products with excellent volume and consistent results. We added the perfect balance of flavors so all you have to do is add ripe bananas, stir and bake.

Got bananas that won't sell because they're overripe and headed for the compost or trash bin? This banana base batter is the perfect solution and is a great waste-saver!

Create your own varieties!

Each 7 lb. pail will produce between five and ten loaves depending on the size pan you use. It can even be used for banana muffins or banana cakes, too. Add nuts or other fruits for different varieties -- all from just one pail!
