

PANFREE® LOAF CAKES

Nothing beats fresh baked . . .

With our PanFree® items, you can offer fresh baked goods any time of day with the absolute minimum labor required – simply transfer from freezer to oven and bake.

The Panfree logo, written in a white, cursive font with a red outline, set against a solid orange background.

Panfree™

PANFREE® LOAF CAKES

Our premium batter is deposited into upscale paper liners and flash frozen for excellent taste and performance. The paper pans are nestled in plastic trays which will be discarded before baking. The rich taste, moist texture and upscale appearance will keep customers coming back for more.

1. Remove desired number of frozen predeposited loaf cakes from freezer.
2. Carefully slit plastic covering and slide out the tray. Keep plastic to recover any unused batter before returning batter to the freezer.
3. Place frozen unbaked Preportioned loaves in their tins on a sheet pan in a 2x5 configuration.
4. Garnish before baking where appropriate and allow to thaw on pans 60 minutes before baking for best results.

Rack Oven: Bake at 340°-360° F with vent closed for 45 to 50 minutes or until done. **Convection Oven:** Bake at 325° F with FAN OFF for 10 minutes; turn FAN ON and bake an additional 45 to 50 minutes or until done.

Loaves are done when top springs back to light touch or a toothpick inserted in the center comes out clean.
