

Where Good Taste Begins™

**Our products are  
Trans Fat Free!**

2.5 oz. PanFree® Muffin Batters

**Because patients, employees and visitors have varying requests and requirements, we have a full range of labor- and cost-saving products to meet your operational needs. From cost-saving mixes and bases to a wide range of ready-to-bake and fully-baked specialty items, we have products in demand in the healthcare industry for a variety of operations.**

**Patient Dining in Hospitals and Nursing Homes**

We offer a full range of products addressing specific dietary restrictions and concerns, meeting the operational needs for efficiency and cost-savings.

**Assisted Living**

Whether preparing foods for patients with dietary restrictions or providing tasty and appealing baked goods for clients, we offer something for everyone.

18 oz. PanFree® Loaf Cake Batters

**Hospital Catering and Cafeteria Retail**

Our product mix provides a multitude of choices in offering great-tasting (and looking) baked items for catering and retail sales. Using ready-to-bake predeposited products and fully-baked cakes helps to reduce labor and waste.
